

What we are learning:

English
Diaries

Ideas for home:

Use calendars and diaries at home to plan what is happening each week

Listen to days of the week and months of the year songs

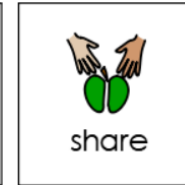

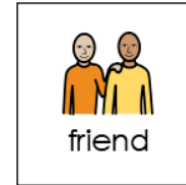

Maths
Geometry

Ideas for home:

Identify different 2D and 3D shapes around the home

Sing songs about shapes

RSHE
Friendships

Ideas for home:

Look at pictures of family friends

Play turn taking games and encourage sharing

Geography
Human and Physical Geography

Ideas for home:

Identify what the weather is like

Go for walks around the local community and identify physical features of the season 'Winter'

Religious Education
Belonging

Ideas for home:

Visit local places of worship

Join in with religious practices at home, if religious

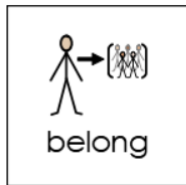

Science
Animals

Ideas for home:

Look at pictures of different animals

Visit a local farm or zoo

See what animals they can spot on a walk in the local area

Clubs on offer:

- Soft play (Building communication)
- Music club
- Chromebook club
- Sensory club

Out in the Community:

We go out into the community regularly through the school year. Here are a few of the visits we might do and why we do them.

- Visiting local parks and landmarks (to develop awareness of the local community)
- Visiting community centres
- Visiting geographical locations in the local area (to help develop knowledge of geographical features)
